To Whom It May Concern:

It is with great pleasure that I recommend Debbie Jones as your property manager. I am retired from the Air Force after serving for 28 years. During my search for a property manager, I put several potential managers to the test... Ms. Jones by far was the best! Her prompt response to messages left, her motivation and drive to help was quite commendable. I also called her references to assure people were really satisfied with her service, everything was as it seemed. I navigated through her web site to see if other future tenants would have difficulty obtaining information regarding my property. In comparison to other web sites, hers was the easiest to navigate through and was the only one that was up to date.

Debbie Jones has always displayed a high degree of integrity, responsibility, and ambition. She is definitely a leader and energetic! Within one week she had my place rented. I expressed my concerns and desires regarding my property management and Ms Jones was very astute to my requests. I have no complaints!

If anyone who is contemplating on choosing Debbie Jones as a property manager or not...Please feel free to call me with any questions regarding my recommendation.

Debbie Jones would be an asset to you as your property manager, and I am happy to give her my wholehearted endorsement.

Sincerely,

Diana J. McMains
